DIPLOMA SUPPLEMENT

This Diploma Supplement model was developed by the European Commission, Council of Europe and UNESCO/CEPES. The purpose of the supplement is to provide sufficient independent data to improve the international "transparency" and fair academic and professional recognition of qualifications (diplomas, degrees, certificates etc.). It is designed to provide a description of the nature, level, context, content and status of the studies that were pursued and successfully completed by the individual named on the original qualification to which this supplement is appended. It should be free from any value judgements, equivalence statements or suggestions about recognition. Information in all eight sections should be provided. Where information is not provided, an explanation should give the reason why.

1. Information identifying the holder of the qualification

- 1.1 **Family name(s)** Asong
- 1.2 **Given name(s)** Andeh Bridget
- 1.3 **Date of birth (day/month/year)** 6 December 1993
- 1.4 **Student identification number or code (if available)** 19931206-T808

2. Information identifying the qualification

- 2.1 **Name of qualification and (if applicable) title conferred (in original language)**
Filosofie magisterexamen (Degree of Master of Science (60 credits))
- 2.2 **Main field(s) of study for the qualification**
Business Administration with Specialization in International Marketing
- 2.3 **Name and status of awarding institution (in original language)**
Mälardalens högskola (Mälardalen University).
State recognised university college with the right to award third-cycle qualifications.
- 2.4 **Name and status of institution (if different from 2.3) administering studies (in original language)**
Not applicable.
- 2.5 **Language(s) of instruction/examination**
English

3. Information on the level of the qualification

- 3.1 **Level of qualification**
Avancerad nivå/Second-cycle QF-EHEA SeQF 7/EQF 7.
For information on the Swedish higher education system, see section 8.
- 3.2 **Official length of programme**
60 högskolepoäng (credits)/60 ECTS. Duration of 1 year of full-time studies. A normal 40-week academic year corresponds to 60 credits (högskolepoäng). One credit corresponds to 1 ECTS credit.
- 3.3 **Access requirement(s)**
There are general and (additional) specific entry requirements that should be fulfilled for access to higher education within all cycles. The general entry requirements for second-cycle studies are a first-cycle qualification of at least 180 credits, or a corresponding foreign qualification. An applicant may also be accepted on the basis of a comparable level of learning outcomes obtained through other education, practical experience or other circumstances.

Any specific entry requirements vary according to the field of higher education.

4. Information on the contents and results gained

- 4.1 **Mode of study**
Full-time equivalent.
- 4.2 **Programme requirements**
The Swedish Higher Education Act takes account of 1) courses and study programmes based on scholarship or artistic practice and on proven experience, and 2) research and artistic research as well as development work. Reference to research below also applies to artistic research.

According to the Swedish Higher Education Act, second-cycle courses and study programmes shall (in addition to the requirements for first-cycle courses and study programmes): further develop the ability of students to integrate and make autonomous use of their knowledge; develop the ability to deal with complex phenomena, issues and situations; and develop the potential for professional activities that demand considerable autonomy, or for research and development work. (For further information, see The Swedish Higher Education Act and The Higher Education Degree Ordinance: www.uhr.se/en)

- 4.3 **Programme details (e.g. modules or units studied), and the individual grades/marks/credits obtained (if this information is available on an official transcript this should be used here)**

A Degree of Master (60 credits) is awarded after the student has completed the courses required to gain 60 credits with a defined specialisation determined by each higher education institution itself, of which at least 30 credits are for specialised study in the principal field (main field of study) of the study programme. In addition the prior award of a Degree of Bachelor, a Degree of Bachelor of Fine Arts, a professional or vocational qualification of at least 180 credits or a corresponding qualification from abroad is required.

A requirement for the award of a Degree of Master (60 credits) is completion by the student of an independent project (degree project) for at least 15 credits in the main field of study.

Local requirements

At least 60 credits must be at second cycle within the specialization, including a completed independent project (degree project). A student who has completed course requirements according to specifications of compulsory courses/items within the program International Marketing, 60 credits at Mälardalens högskola, fulfils the requirements above.

For more information, see Degree Certificate/Official Transcript

4.4 Grading scheme and, if available, grade distribution guidance

There is no national grading system in Sweden. Higher education institutions may determine which grading system is to be used. For more information, see Degree Certificate/Official Transcript.

4.5 Overall classification of the qualification (in original language)

Not applicable for Swedish qualifications, since no overall grade is awarded for a degree and students are not ranked. For example, Grade Point Average (GPA) and other ranking systems are not used in Sweden.

5. Information on the function of the qualification

5.1 Access to further study

The degree gives access to third-cycle studies (doctoral studies).

5.2 Professional status (if applicable)

The Degree of Master corresponds to the qualification level referred to in point (e) of Article 11 of Directive 2005/36/EC.
